

KIDS FOR CHRIST

Community of Christ

St. Luke's Pre-Teen Activity Calendar For 2009 - 2010

Kids for Christ is an activity night for 4th, 5th and 6th grade children. Our mission is to provide fun and exciting activities that kids would want to invite their friends to and to provide encouraging Bible lessons that build Christian character in the hearts of the children. This year's theme is What's a Friend. Friendships are important and need to be grown, they require work. This year Kids for Christ will help give them some ideas and tools to help them build strong, caring and lasting friendships. We include dinner so kids have more time to spend with their friends in fellowship and building the relationships that will support them through the teen years. We encourage parental support and participation as part of the team that "Trains [Or Start] a child in the way he should go, so when he is old he will not turn from it." Proverbs 22:6
